Sports and cultural activities significantly impact our lives by promoting physical and mental well-being, fostering social connection, building self-esteem, enhancing cultural understanding, and providing a platform for personal growth and development, often acting as a unifying force within communities and across cultures; essentially enriching our lives on multiple levels.

Thus to imbibe all the positive aspects of sports and cultural activities in our day to day life for enhanced physical and mental well being of the officers and staff alike, these activities are promoted in IA & AD offices across India.

Promotion of these activities requires taking responsibility for implementing it and herein our Civil Sports and Cultural Club plays significant role shouldering it effectively through its dedicated and hardworking office bearers.

Over the years since its inception, this office has provided platform to many a number of players to showcase their skills in various sporting disciplines.

This publication is the brainchild of our Principal Accountant General Shri Calvin Harris Kharshiing, in an effort to immortalize the significant contribution of our office's sportspersons over the years who were the flag bearer of this office on many a sporting platform.

Sincere thanks and appreciation to everyone involved to have put in their best efforts in finalization of this souvenir this publication.

A big thumps up to all the retired officials who diligently attended the rounds of meeting to put forward their valuable suggestions and also contributed their share of old photographs/ anecdotes which is adorning pages of this publication.

Last but not least, appreciate the efforts of everyone who took pains to jot down write ups for various sporting disciplines enhancing the quality of this publication.

It will be fair to say that without fair contribution from the stake holders past and present of this office, it would not have been possible to bring out this publication.

Sincere efforts from everyone involved went in to bring out this souvenir. However, since the compilation is the first of its kind to chronicle all these activities since 1962 till date, shortcomings, if any, may be brought to the notice of the committee members for taking out error free publication in next edition.

The Indian Audit and Accounts Department takes immense pride in celebrating sporting excellence. The recruitment of prominent sports personalities through the "Sports Quota" channel in IA&AD offices across the country is testament to this fact. It is because of this initiative that the Office of the Pr Accountant General (A&E), Meghalaya, has, over the years, been enriched with the recruitment of excellent sportspersons into its ranks. And, under the auspices of the Civil Accounts Sports and Cultural Club, these talents have been nurtured and channelled towards promoting the values of health and fitness among the office staff. The Club is also committed to fostering a culture of sincere dedication, extending beyond its core responsibilities to provide invaluable ground support for the Administration's staff welfare initiatives.

This inaugural edition of the Sports souvenir reflects the dedication, teamwork, and passion that the employees of the Office of the Pr Accountant General (A&E), Meghalaya bring to both their professional, sports and cultural pursuits. I am happy to note that this publication acknowledges the contributions of past and present members of the Club and the very creative and colourful presentation of their various achievements and experiences over the years.

I hope this exercise becomes an annual event to showcase the diverse gifts and talents that the Civil Accounts Sports and Cultural Club members possess and serves as an important documentation of its yearly activities.

With best wishes,

Ratul Chandra Borah
Deputy Accountant General (AE & VLC)

The Office of the Comptroller, Assam was established at Shillong in the year 1910. It gained the status of Accountant General's Office in 1952 and functioned as a Composite Audit and Accounts Office of the then undivided State of Assam. In the year 1973, with the creation of the states of Nagaland, Tripura and Manipur, Accountants General Offices were set up in these three States. The Indian Audit and Accounts Department was bifurcated in the year 1984 into Audit Wing and Accounts and Entitlement (A&E) wing.

In course of time, the offices of the Accountants General Assam was shifted from Shillong to Guwahati and in the year 2006, the Accountants General Offices of Mizoram and Arunachal Pradesh were shifted to Aizawl and Itanagar respectively. The two Accountants General Offices at Shillong were re-designated as the Office of the Principal Accountant General (Audit) Meghalaya and Accountant General (A&E) Meghalaya.

The Sports and Recreation Club which is now known as 'Civil Accounts Sports & Cultural Club' was in existence since the time of combined offices of Audit and Accounts and in the year 2006 it was separated from P.A.G. (Audit).

The Civil Accounts Sports and Cultural Club supports the officers and staff of this office for participation in one day annual sports and in various events organized by IA&AD and Regional Sports Board and there is active participation from this office and achievements also took place in various events like Table Tennis, Football, Carrom etc.

The first meeting of the Souvenir Committee was held at the Conference Hall on 16-12-2024 followed by second and subsequent meeting on 13-01-2025, 22-01-2025 , 28-01-2025 and 06-02-2025 respectively.

All the Committee members, especially the retired members of the Committee had supplied valuable information/writeups about various sports, old photos, articles etc. which was helpful for preparation of this Souvenir.

The main person on whose idea for this Sports Souvenir was initiated by our Principal Accountant General (A&E) Shri. Calvin Harris Kharshiing.

I am really grateful to him for his innovative idea.

I am also grateful to Shri. Kiron Lal Joshi (Retd), Sr. Accountant, Shri. Arbines Lyngdoh (Retd), Sr. Accountant, Shri. Banka Bihari Sharma (Retd), Sr. Accountant for their contribution by supplying old photos, paper clippings, write ups and also spending their valuable time to make this Sports Souvenir a successful one.

Lastly, I am grateful to all other Committee members for their valuable suggestions, contribution and teamwork.

(Madhabi Deb)
Senior Accounts Officer
Chairman, Sports Souvenir Committee

It gives me an immense pleasure to know that the Civil Accounts Sports and Cultural Club (CAS&CC), Office of the Principal Accountant General(A&E), Meghalaya, Shillong is publishing a Souvenir to mark the achievements of our sports persons in sports events and also to highlight the various other cultural activities conducted in the office on the occasion of the East Zone and Zonal IA&AD Football tournament to be conducted by our office at Shillong w.e.f. 4th to 7th March, 2025 and 10th to 14th March, 2025.

Our sports persons particularly in the field of Football, Carrom and Table Tennis has brought many laurels to our office due to their hard work and dedication. I congratulate all the players for their achievements.

I also would like to convey my heartfelt thanks to the officer bearers of the Civil Accounts Sports and Cultural Club (CAS&CC) for taking the initiative to conduct various sporting events such as One Day Sports meet, Intra-Office Tournament, Selection trials for various tournaments and also cultural programme.

I am sure that this Souvenir will be a great help and source of information to the officers and staff of this office.

Senior Accounts Officer/ Welfare

Civil Sports and Cultural Club under the aegis of office of the Pr. Accountant General (A&E), Meghalaya, Shillong assists the players bearing the flag of AG Meghalaya Team (comprising players from offices of the AG Audit, AG Accounts and RCB &KI) to participate in various sporting disciplines like Football, Carrom Board, Table Tennis, Badminton, etc. in IA & AD, Inter Office and other Sporting Tournaments of repute

This club was established in 1962 in the then combined offices of Accountant General, Assam, Meghalaya, Mizoram, Arunachal Pradesh etc. The club operated through a separate building opposite the current AG (Audit) building. Even after the bifurcation of offices into two entities of Audit and Accounts, the club continued to undertake activities under the Sports and Culture for both the offices and players alike.

However, due to technical difficulties creeping in, it was decided to have separate for both the offices of Audit and Accounts in the year 1999. Then onwards, cultural activities, sports etc. are being organised separately till date.

Looking back at all the activities carried out by this office since its inception, it was really sad to see that very few documented facts in the form of a few certificates, photos and trophies was all there to showcase for such a long span of time.

With this bitter realization of not able to trace the various activities undertaken by the club for so long, it was decided to have some form of documentation of all past glories and achievements. Our Pr. Accountant General was the first person to moot this idea which was readily agreed to by all the stakeholders.

Lastly, I would like to convey my appreciation to all those officials (past and present) who contributed generously to bring out this souvenir.

May this publication be the stepping stone to bring forth more of such endeavour in future.

From the memory lane

IT HAPPENED TO US

Shri Kiran Lal Joshi,
Retired Sr. Accountant

I joined this office (Accountant General, Meghalaya) in the year 1976. Though I was not a sports recruit, however, because of my love for the game of football, I was always associated with the game in my area as well in office either as a player or in official capacity. During my association with the football Team of our office, I had many wonderful memories which I cherish till date. Herein, I am narrating an incident which is still fresh in my memory that happened during our trip to Calcutta (Kolkata) where AG office Football Team was participating in the East Zone Football Tournament,1978.

Our football team was led by (L) Shri Kajol Roy and the team included football stalwarts of this office such as Shri Chandan Sen, Shri Sunder Poon, Shri Sanju, Shri Jinnah Lyngdoh, Shri Nandalal Raj, Shri Brassly Majaw, Shri Biswajit Chakraborty etc., sadly most of these players are no longer with us today.

In between Football matches, we used to go around visiting the city. One fine evening, we all went to visit "New Market". While going around window shopping, suddenly a gentleman (who claimed to be erstwhile resident of Laban, Shillong) happened to bumped into us. Seeing a Shillongite, we were quite happy and chatted with him for some time. During our conversation, he told us that he left Shillong for good and came to Calcutta and is presently working in the Custom Department as a Custom Officer. He also informed us that since he is in Custom Department and during raids, they confiscate a variety of foreign items like Two in one Yashica Camera, Radio, Suit piece etc. During those time, these items were prized one and very popular, so we started digging more into this. Seeing our interest, he proposed to let us buy a few of these items which were dumped in his office godown. We immediately agreed to the proposal and requested to let us have these items at a cheaper rate.

He told me to make a list of the desired items and collect amount for the same from the interested party and left us saying he will visit again tomorrow for finalizing the deal.

Next morning, the gentleman came in a taxi and two of our colleagues accompanied him to the premises of Custom Office. After reaching the premise, he made our colleagues to wait near the office gate while he will go inside and get all the items/ stocks from the custom godown in a short time. My colleagues patiently kept waiting there for at least

two to three hours, but the gentleman never turned up. After long hours of wait, my colleagues were confused and shocked and went inside the office and started inquiring the whereabout of the gentleman. But, to their dismay, it was informed to them that nobody from the Custom office matched the description of the gentleman. Finally, realization sunk into our colleagues that they were duped/ conned by the gentlemen claiming to be from Shillong.

CARROM BOARD

Playing Carrom in the office clubhouse after office hours is a popular recreational activity in IA & AD Department. Each year, IA & AD organizes Carrom tournament to be hosted by different field office. These tournament are staged all over India on zonal basis annually. The winner and runners-up from each zone qualifies for the Inter Zonal Carrom Tournament.

Looking back at the history of this tournament, it is found that in the past AG (Audit), Meghalaya office had hosted the Carrom Board Tournament 2 (two) times and our office A.G (A&E), Meghalaya had the opportunity of hosting the I.A & A.D, North East Zone Carrom Tournament in the year 2019-2020 and Inter Zonal I.A & A.D Carrom Tournament in 2022-23.

Over the years, achievements of our office in this tournament reflects the number of competent players produced by this office. These achievements becomes more significant because of the fact that our carrom players had initially no sporting background and were not specifically recruited through sports quota or were formally trained as professionals. However, because of their love, ingrained passion, dedication, hard work and enthusiasm for the game, some of these carrom players have become highly professionals and brought laurels to this office on a number of occasion.

Herein, special mention to be made of Shri Arbines Lyngdoh and Smti Adlita Wanrilang Swer, who had represented CAG Carrom team on 4 (four) and one occasion respectively.

Achievements in the East/North-East IA&AD Zonal Carrom Tournament: In the Team event of the I.A.&A.D Zonal Carrom Tournament, over the years the AG Meghalaya team have consistently performed well which is reflected in the results as shown below:

MY JOURNEY AS A PLAYER : FROM THE BOARD TO THE HEART

Shri Arbines Lyngdoh, Sr. Acctt. (Rtd.)

Representing A.G. Meghalaya in Carrom has been an incredibly fulfilling and rewarding journey, one that has spanned many years and allowed me to witness both personal and team growth.

Throughout the years, I have honed my skills, learning from each game and challenge faced on the board.

The experience of competing at different levels/Competitions has instilled in me a sense of discipline, focus and resilience, all the while building a deep sense of friendship and trust with teammates and fellow players.

Every tournament and match have not only tested my abilities but has also allowed me to represent my office (A.G. Meghalaya) and state with pride and honour, knowing the dedication and hard work it takes to reach such heights.

I feel that years of experience have shaped me into a better player and a better individual.

What makes this experience even more special is the opportunity to meet and compete against talented players from diverse backgrounds, all of whom share a common passion for the game.

Interacting with fellow competitors has broadened my perspective, fostering a sense of unity and respect that goes beyond just winning or losing.

The experience developed through these encounters has been a source of motivation, and every tournament has been a reminder of the bonds we form through the shared love and passion for Carrom.

Representing A.G. Meghalaya throughout my years of service in such a meaningful way has been a truly enriching experience, one that I cherish deeply.

Thank you, A.G. Meghalaya for giving me an opportunity to participate in different Carrom Tournaments organized by different zones of IA & AD Department. It was a privilege to be among talented carrom players and to showcase my skills on these platforms.

Table Tennis

Table Tennis is one of the most popular indoor games being played by many of our Officers and staff in the Sports Recreation Club room daily after office hours. The office Sports and Recreation Club has also provided a very good table as well as a good room for playing the Table Tennis Game. It is equally enjoyed by the young and old and many of our officers and staff have become good players who have represented our office in the IA&AD Meet and have also brought laurels in the game of Table Tennis.

In the IA&AD meet a combine Meghalaya team is being represented by the players from the 3 (three) offices – O/o PAG(A&E), Meghalaya, O/o PAG(Audit), Meghalaya and RCB & KI, Shillong and we participate every year in the in the IA&AD Table Tennis Tournament.

While the O/o PAG(Audit), Meghalaya has some good players who have been recruited through Sports Quota Recruitment, the Offices of PAG(A&E), Meghalaya and RCB & KI, Shillong do not have Table Tennis Sports recruited players. Nevertheless, due to their own interest and enthusiasm in playing Table Tennis Game, many good players have come up and have been performing very well in the IA&AD East Zone Table Tennis Tournament held

Retirement/ Farewell function

Civil Accounts Sports & Cultural Club of this office also assist in organizing retirement party to bid farewell to its retiring members. It may be mentioned that earlier the party used to be hosted by the retiring personnel and invitee would turn up with their wishes and gifts. However, after Shri Calvin Harris Kharshiing, PAG took charge in 2023, this practice of retirement party to be hosted by the retiring personnel was discouraged. Instead, a new system was brought into practice, whereby the Civil Accounts Sports & Cultural Club under the aegis of this office would host retirement party to bid farewell/ celebrate the achievement of retiring officials. All the expenses in this regard are borne by the Club along with cost of mementos to be presented to the retiring officials. All the details in organizing this event like speeches to be delivered, songs, tea/ snacks etc. are meticulously worked out by the Club under the guidance of the PAG.
