**GOVERNMENT OF BIHAR
FINANCE DEPARTMENT**

RESOLUTION

Patna, the 19th April, 1990.

SUBJECT.—Revision of provisions regulating Pension and Death-cum-Retirement Gratuity in pursuance of Government decisions in light of the recommendations of the Fitment-cum-Pay Revision Committee.

The State Government, after due deliberation of the recommendations of the Fitment-cum-Pay Revision Committee relating to post-retirement benefits, have decided to revise the provisions regulating Pension, Family Pension and Death-cum-Retirement Gratuity of their employees to the effect and extent indicated in the subsequent paragraphs.

1. (i) *Date of effect.* The revised provisions as per these orders shall apply to Government servants, who retire/die in harness on or after the 1st January 1986. The revision of pension with effect from 1st January 1986 shall be merely notional as the financial benefit of revision of pension will be admissible only with effect from 1st March 1989, to wit, no arrear accruing from revision of pension during the period from 1st January, 1986 to the 28th February 1989 shall be paid to the pensioners.

(ii) Where pension has been provisionally sanctioned in cases occurring on or after 1st January 1986, the same shall be revised in terms of these orders. In cases, where pension has been finally sanctioned under the pre-revised orders, the same shall be revised in terms of these orders, provided such revision is to the advantage of the pensioner.

2. *Emoluments.* The terms "Emoluments" for purpose of calculating various retirement and death benefits shall mean "basic pay" as defined in rule 26(a)(i) of the Bihar Pension Rules, which the Government servant was receiving immediately before his retirement or on the date of his death. Similarly, the term "Average Emoluments" shall be determined with reference to emoluments drawn by a Government servant during the last ten months of his service.

3. (i) *Pension.* Pension shall be calculated at 50 per cent of average emoluments in all cases instead of under the slab formula as outlined in Finance Department's Resolution no P.C.2-9-12/79-7712-F., dated 4th September, 1979. without any upward ceiling but with the minimum limit of Rs. 375 per month.

(ii) *Family Pension.*—In partial modification of the orders on this point, the Government have decided that the rates of family pension shall be revised as follows:—

Serial no.	Basic pay per month	Rate of Family Pension per month inclusive of dearness relief upto average C.P.I. 608.
1	2	3
1	Not exceeding Rs. 1,500 per month..	At the rate of 30 per cent of basic pay subject to a minimum of Rs. 375 per month.
2	Exceeding Rs. 1,500 but not exceeding Rs. 3,000 per month.	At the rate of 20 per cent of basic pay subject to a minimum of Rs. 450 per month.
3	Exceeding Rs. 3,000 per month ..	At the rate of 15 per cent of basic pay subject to a minimum of Rs. 600 per month and a maximum of Rs. 1,250 per month.

The existing procedure and other conditions of sanctioning of family pension shall continue to be in vogue as before.

(iii) *Death-cum-Retirement Gratuity.*—The existing principles and rates of calculation of service gratuity of the retired Government servants shall continue to be in vogue even after issue of these orders, according to which Retirement Gratuity on retirement shall be paid equal to one half of his emoluments for each completed six monthly period of qualifying service subject to a maximum of 16.5 times the emoluments, provided that the amount of Retirement Gratuity payable shall be in no case, exceed one lakh rupees. In the event of death in harness, the Death Gratuity shall be admissible at the following rates:—

Serial no.	Length of Service	Rate of Gratuity.
1	2	3
1	Less than one year	.. 2 times of emoluments.
2	One year or more but less than 5 years.	6 times of emoluments.
3	5 years or more but less than 20 years.	12 times of emoluments.
4	20 years or more	.. Half of emoluments for every completed six monthly period of qualifying service subject to a maximum of 33 times of emoluments provided that the amount of Death Gratuity shall in no case, exceed one lakh rupees.

No revision of Death-cum-Retirement Gratuity shall be made in respect of those Government servants, who have retired/died in harness on or after 1st January 1986 and upto 28th February 1989.

4. *Dearness Relief.*—At present dearness relief is sanctioned to the pensioners as per the principles and rates prevalent under the Government of India prior to 1st January 1986. The State Government, after careful consideration of the recommendations of the Fitment-cum-Pay Revision Committee, have been pleased to decide that dearness relief shall be paid to State Government pensioners and family pensioners at the rates and formula of the Government of India on 1st July and 1st January every year based on increase in price rise beyond average C.P.I. 608 as on the preceding 30th June or 31st December as the case may be. However, the first such instalment of dearness relief will be released with effect from 1st July, 1989. Government order sanctioning dearness relief according to the principle enunciated above shall be issued separately.

5. *Commutation of additional pension.*—In view of the recommendations of the Fitment-cum-Pay Revision Committee and the policy prevalent under the Government of India in this regard, it has now been decided by the Government that additional pension, if any, becoming due as a result of these orders will also qualify for commutation, to wit, the post-1st January, 1986 retirees can commute upto one third of differential pension becoming due as a result of refixation of pension at the rate of 50 per cent instead of the erstwhile slab formula. The beneficiaries shall

not be required to undergo medical check up of their health in order to have the payment of difference between the commuted value determined with reference to enhanced pension and the commuted value already authorised, irrespective of the fact whether originally commutation was allowed with or without medical checkup. In all such cases, the A.G., Bihar will issue simultaneously the revised pension payment order and the commuted value of the one-third of differential pension and the revised pension will be paid after deducting the said one-third amount of pension. The above procedure shall not be applicable to those cases, in which commutation of pension has not been sanctioned upto the date of issue of this order. Such pensioners shall have to submit their applications for commutation of pension to the Finance Department as per the existing practice.

6. In the case of Government servants, who have opted for the revised scales of pay and retired within 10 months from 1st January, 1986, the crucial date from which the revised scales of pay were enforced, the "average pay" for 10 months period preceeding retirement shall be calculated in the manner indicated below:—

- (i) For the period during which pay is drawn in pre-revised scale, basic pay plus D.A., A.D.A. and Adhoc D.A., if admissible.
- (ii) For the period during which pay is drawn in revised scale of pay-Basic pay in the revised scales.

6.1. Those, who have retired or will be retiring between 1st January 1986 and 30th June, 1990, will have an option to have their pension and death-cum-retirement gratuity calculated under the rules in force immediately before coming into effect of these orders.

7. The A.G., Bihar is hereby requested to issue authority slip on basis of the provisions contained in this order for the payment of pension/revised pension and death-cum-retirement gratuity in favour of State Government pensioners immediately. Authority should also be issued to the A.G. of other State Governments under intimation to this Department so that the pensioners of this Government may get their revised/consolidated pension at the earliest. All Treasury Officers/Sub-Treasury Officers are hereby directed to apprise the concerned branches of Banks with these orders in order to make payment on basis of these orders.

8. In so far as the staff working under the High Court, Patna/Bihar Legislative Assembly/Legislative Council, are concerned orders will be issued subsequently after obtaining the consent/advice of the Chief Justice, High Court, Patna/Speaker, Legislative Assembly/Chairman, Legislative Council, Bihar, Patna.

GOVERNMENT OF BIHAR
FINANCE DEPARTMENT.
RESOLUTION.

Patna, the 19th April, 1990

SUBJECT.— Rationalisation of pension structure for pre-1st January, 1986 Pensioners/
 Family Pensioners.

In order to rationalise the basic pensionary principles and structure of their pre-1986 pensioners, the Government of India have vide Pension and Pensioners Welfare Department's office memorandum no. 2/1/87-P.I.C.I., dated the 16th April, 1987 revised the same w.e.f. 1st January, 1986. In view of this and the recommendations of the Fitment-cum-Pay Revision Committee as well, the proposal to rationalise the pensionary benefits of pre-1986 pensioners/family pensioners of the State has been under active consideration of the Government, as a result of which modification and amelioration to the effect and extent indicated in the subsequent paragraphs have been brought into play in respect of this category of pensioners.

2.3. In these orders the term "Existing Pension" means the basic pension inclusive of commuted portion, if any, due on 31 December, 1985.

2.4. In these orders the term "Existing Family Pension" means the basic family pension due on 31st December, 1985 under the provisions of Bihar Pension Rules.

2.5. In this order the term "Existing Dearness Relief" means the relief due to Pensioners/Family Pensioners up to average C.P.I. 608.

3.1. Additional relief for Existing Pensioners.

Existing pensioners of the categories mentioned below shall be granted additional relief at the rates indicated for each below:—

(A) Pensioners retiring up to 31st December, 1979 in whose case D.A. has not been included in Pay for calculating pension and gratuity;

(B) Family Pensioners;

(C) Recipients of extraordinary pension.

In the case of pensioners, drawing pension of Rs. 500 or less, additional relief shall be equal to 15 per cent to total amount of existing pension plus existing dearness relief subject to the condition that the additional relief shall in no case be less than Rs. 75. In the case of pensioners drawing pension above Rs. 500 additional relief shall be equal to the difference between the existing fixed dearness relief of Rs. 638 and the notional relief calculated at 95 per cent of existing pension subject

to the condition that where the said difference shows negative amount or is less than Rs. 175, the additional relief shall be Rs. 175.

3.2. (a) Government servants retiring between 1st January, 1980 to 31st March, 1981, whose pension has been calculated after merging dearness pay in pay.

(b) Such Government servants, who although retired after 31st March, 1981 but have opted to retain the approved scales of pay which were in force immediately prior to 1st April, 1981 w.e.f. which the revised scales of pay on the basis of the recommendations of the Fourth Pay Revision Committee were enforced.

3.3. Government servants, who retired on or after 1st April, 1981 to 30 March, 1985, in whose case the pay has been fixed on 1st April, 1981 in the revised scales of pay after merging the entire amount of dearness allowance admissible up to 31st March, 1981 in pay.

In the case of pensioners drawing pension above Rs. 500 additional relief shall be equal to the difference between the existing fixed dearness relief of Rs. 338 and the notional relief calculated @ of 50% of existing pension subject to the condition that where the said difference shows negative amount or is less than Rs. 85 the additional relief shall be Rs. 85 only.

3.4. In the case of Government servant, who retired on or after 31st March, 1985 and up to 31st December, 1985, no additional relief would be admissible corresponding to the increases stipulated in paras. 3.1, 3.2 & 3.3.

3.5. If the amount of additional relief works out in fraction of a rupee, it will be rounded to the next higher rupee as per the provisions contained in Finance Department letter No. 15282-F., dated 28th November, 1969.

4. Recalculation of Pension at 50 per cent of average emoluments in place of a slab Formula.--

In view of the principles adopted by the Government of India, it has now been decided that in the case of existing pensioners whose pension was calculated under the slab Formula., the pension will be recalculated at 50 per cent of average emoluments. By average emoluments is meant the average of emoluments received during the ten months period immediately prior to retirement. There will be no upper ceiling on the amount of pension so worked out. The reckonable emoluments and their reckonable qualifying service in their case will, however, remain unchanged. The additional pension becoming due under these provisions will not, however, be taken into account for calculation of additional relief under paras 3.1, 3.2 & 3.3. nor will it qualify for additional commutation.

5.1. Consolidation of Pension—

(A) The pension/family pension of existing Pensioners/Family Pensioners will be notionally Consolidated with effect from 1st January, 1986 by adding together the following amounts :—

- (i) The existing pension/existing family pension;
- (ii) The existing dearness relief; and
- (iii) Additional relief accruing out of paras. (3.1), (3.2) & (3.3) above and additional amounts of pension accruing out of para. (4) above.

However, the amount of consolidated pension as envisaged above shall be payable with effect from 1st March, 1989, to wit, no arrear accruing from consolidation of pension during the period from 1st January, 1986 to 28th February, 1989 shall be paid to the pensioners. Since the consolidated pension will be inclusive of commuted portion of pension, if any, the commuted portion will be deducted from the said amount, while making monthly disbursement.

(B) Some of the existing pensioners, who retired between 31st March, 1985 to 31st December, 1985 are in receipt of personal pension. The said personal pension will continue to be granted as a separate element and will not be merged into consolidated pensions stipulated in para (5.1).

5.2. Where the consolidated pension/family pension in terms of paragraph (5.1) (A) works out to an amount less than Rs. 375 the same shall be stepped up to Rs. 375 with effect from 1st January, 1986 and from the aforesaid date this will be regarded as pension/family pension. In the case of Pensioners, who are in receipt of more than one pension, the floor ceiling of Rs. 375 will apply to the total of all pensions taken together.

5.3. The employed/re-employed pensioners/Family pensioners are not getting dearness relief in pension at present under the extant orders. In their case the notional dearness relief, which would have been admissible to them but for their employment/re-employment, will be taken into account for calculating the additional relief and their pension will be consolidated in terms of Para (5.1) (A) as if they were drawing the dearness relief. The pay of such pensioners will be refixed with effect from 1st January, 1986 taking into consideration the amount of consolidated pension as per para (5.1). As the financial benefits of revised pension are to be allowed with effect from 1st March, 1989. So no deduction on this score will be made out of their pay during the period from 1st January, 1986 to 28th February, 1989, but their pay shall have to be refixed with effect from 1st March, 1989 in light of the consolidated amount of pension. Dearness relief beyond 1st January 1986 will, however, not be admissible to them during the period of employment/re-employment.

5.4. (A) All Treasury Officers/Sub-Treasury Officers and Public Sectors Banks handling disbursement of pension are hereby authorised to pay pension/family pension at revised rates to the Pensioners who are in receipt of Rs. 500 and less.

(B) In case of pensioners, drawing pension above Rs. 500 consolidation of pension will be done in two phases. In the first phase, Treasury Officers/Sub-Treasury Officers/Banks are hereby authorised to do partial consolidation of pension by adding together the existing pension, existing dearness relief and additional relief admissible under paras (3.1), (3.2) and (3.3).

5.5. In the Second phase, the A.G., Bihar will intimate to the Pension Disbursing Authorities the additional amount of pension. For this pensioners will not have to submit any short of application at any stage. On receipt of intimation regarding revised pension from the A.G., Bihar, the Pension Disbursing Authorities will pay to the pensioners the difference between the revised pension and the partly consolidated pension already drawn. In order to implement this scheme of consolidation of pension the procedure laid down by the Government of India have been adopted

6.1. Under the Existing Rules family pension carries two rates:—

- (i) Normal rate;
- (ii) Enhanced rate, applicable during the first seven years from the date of death of Government employees or until the date on which he would have attained the age of 65 years, if he were alive, whichever is earlier. Family pension will accordingly be consolidated in terms of these orders as follows:—
 - (A) Where the family pension is drawn at normal rates, additional relief thereon will be calculated in terms of para (3.1) and the same will be consolidated in terms of para (5.1) above. Where the consolidated family pension falls short of Rs. 375 it will be stepped up to Rs. 375.
 - (B) In cases where family pension is drawn at enhanced rates, it will be necessary to consolidate family pension both at enhanced rate as well as at normal rate separately, so that the pensioners may not have any difficulty in getting the payment of family pension at enhanced rate. Additional relief in such cases will have to be calculated independently with reference to normal rate and enhanced rate. The floor ceiling of Rs. 375 per month will also be applied separately for both the rates.

6.2. In the case of existing pensioners in whose case the family pension has not come into operation as pensioners are/were alive on 1st January 1986, the rates of family pension at enhanced rate and at normal rate noted at their Pension Payment order will be updated and consolidated in terms of these orders by Treasury Officers/Sub-Treasury Officers. The updated rates of family pension will apply as and when family pension becomes payable in such cases.

7.1. (A) In order to avoid the delay in payment of pension/family pension at revised rates it has been decided in relaxation of the provisions contained in rule 344 (i) of Bihar Treasury Code Volume-I to make payment of revised pension at consolidated/partly consolidated rates without any authority slip from A.G., Bihar. Consolidated pension will be paid to the pensioners/family pensioners by Treasury/Sub-Treasury/Banks on the basis of the bill presented by them.

(B) Pensioners residing in other States and receiving payment therefrom can get the payment of their pension at revised rates only on the basis of the authority slip issued by the A.G.; Bihar.

(C) All Treasury Officers/Sub-Treasury Officers are hereby directed to apprise the concerned branches of Banks with the provisions of this order with a view to facilitate the payment of pension at revised rates and the ready-reckoner enclosed with it. The A.G.; Bihar is further requested to issue authority slip to the A.G. of other States under intimation to this Department in order that the pensioners residing out of this State may get payment of their pension at revised rates.

8. Only the Government in Finance Department, Bihar, Patna, alone are competent to settle any dispute and doubt with regard to interpretation of the provisions of this order and only their interpretation will be final.

9. In their application to the officers and staff of the High Court, Patna/Legislative Assembly/Legislative Council, Bihar, Patna, orders will separately follow with the consent/approval of the Chief Justice, High Court, Patna/Speaker, Legislative Assembly, Bihar, Patna and Chairman, Legislative Council, Bihar, Patna.

GOVERNMENT OF BIHAR

FINANCE DEPARTMENT

RESOLUTION

Patna, the 25th May, 1990

Subject—Sanction of dearness relief to the State Government pensioners/family pensioners and recipients of extraordinary pension on revised/consolidated pension.

State Government have so far sanctioned dearness relief on pension upto the 1st March 1989 to the above categories of pensioners *vide* finance Departments Resolution no. 4845-F., dated the 2nd August, 1989 and the proposal for further sanction of dearness relief has been under consideration. In the meantime, Government of India on basis of the recommendations of the Fourth Central Pay Commission have made fundamental changes in their basic pension structure and the formula, rates and procedure of sanctioning dearness relief on pension. Even the State Government in light of the recommendations of the Fitment-cum-Pay Revision Committee have decided to revise the pension of post-1st January 1986 retirees as per provisions of Finance Departments Resolution no. P.C.1-9-16/87—1853-F., dated the 19th April 1990 and further to consolidate the pension of pre-1986 retirees as per provisions of Finance Departments Resolution no. P.C.1-9-16/87—1854-F., dated the 19th April, 1990 according to which revision/consolidation of pension w.e.f. 1st January, 1986 shall be only notional but payment of pension at enhanced rates consequent upon revision/consolidation shall commence w.e.f. 1st March, 1989.

2. Dearness relief to State Government pensioners for the period prior to revision/consolidation of pension has been allowed on the principles and rates, which were prevalent under Government of India prior to the 1st January 1986. Now paragraph 4 of Finance Departments Resolution no. 1853-F., dated the 19th April 1990 provides that with the enforcement of revision/consolidation of pension the State Government following suit and formula of the Government of India, will allow dearness relief at Central rates on the 1st July and the 1st January every year based on the price-rise beyond average C.P.I. 608 on the preceding 30th June and the 31st December, as the case may be. There will be a uniform rate of dearness relief to erstwhile different categories of pensioners under the new scheme. The 1st March, 1989 has been accepted as the crucial date for the purpose of payment of revised/consolidated pension to the State pensioners and the aforesaid date falls within the second six-monthly span fixed by the Government of India for admissibility of dearness relief and on this date no new instalment of dearness relief is released even to the pensioners of the Central Government. It has, therefore, been decided to release dearness relief to State pensioners w.e.f. the 1st July, 1989 as per rates and conditions contained in Government of India, Pension and Pensioners Welfare Departments Office Memorandum no. 42 (14) P and P.W./89-E, dated the 21st September, 1989 at the following rates :—

Sl. no.	Rate of pension /family pension per month.	Rate of dearness relief per month.
1	2	3
1	Up to Rs. 1750 ..	@ 34 per cent of pension/family pension.
2	Exceeding Rs. 1750/ but not exceeding Rs. 3000.	@ 25 per cent of pension/family pension subject to a minimum of Rs. 595 p.m.
3	Exceeding Rs. 3000 ..	@ 22 per cent of pension/family pension subject to a minimum of Rs. 750 p.m.

3. Calculation of entitlement of relief to pensioners shall be made at the pension authorised at the time of retirement, i.e. precommuted amount of pension but the relief in pension, as sanctioned above will be admissible after adjustment of all previously sanctioned relief. Since the quantum of family pension varies from time to time admissibility of quantum of relief to Family pensioners shall also be subject to such variation.

4. The clarification given in paragraph 3 of Finance Department letter no. 3591., dated the 14th September 1983 and letter no. 489, dated the 2nd March 1984 regarding the admissibility of relief granted in Finance Department Resolution no. 1375, dated the 17th February 1983, Resolution no. 4366, dated the 10th December 1983, Resolution no. 522, dated the 7th March 1984, Resolution no. 2875, dated the 10th October, 1984, Resolution no. 6, dated the 8th January 1985, Resolution no. 1715, dated the 17th May 1985, Resolution no. 4033, dated the 28th October 1985, Resolution no. 2961, dated the 18th August 1986, Resolution no. 3254, dated the 11th September 1986, Resolution no. 4746, dated the 22nd December 1986 and Resolution no. 898, dated the 9th April 1987 will also be applicable to the admissibility of relief being sanctioned in this order.

5. The provisions contained in Finance Department circular no. 15282-F, dated the 28th November 1969 should be followed in rounding off to the next rupee while calculating the percentage of relief (nearest).

6. The relief should be admissible barring the period of re-employment to all those civil pensioners, who are in receipt of compensation, superannuation, retiring and invalid pensions. In addition the family pensioners and extraordinary pensioners shall also be entitled to this relief.

7. To avoid delay in payment of relief to pensioners Government have been pleased to order that under Bihar Treasury Code, Volume-I, Rule 344 (1) the payment of relief shall be made without the authority from Accountant-General, Bihar within the State Treasuries/Sub-Treasuries shall pay the amount of relief on the basis of bills presented by the pensioners.

Drawal of relive outside the State shall be made only on the authority of Accountant General, Bihar.

Treasury/Sub-Treasury Officers are directed to inform all the concerned Banks in respect of such pensioners who are receiving their pension through Banks.

The Accountant-General, Bihar is requested that in respect of pensioners who are receiving pensions outside the state, the intimation of authorisation to Accountant-General concerned must be communicated to Finance Department.

8. Ready-reckoners, indicating the amount of dearness relief admissible w.e.f. 1st July 1989 are enclosed. However, the provisions, contained in paragraph 4 above, should strictly followed and the correctness of the amount of relief should be rechecked, while making payment of dearness relief.

9. In so far as pensions serving in the High Court and in the Bihar Legislative Assemble and Bihar Legislative Council are concerned necessary orders should be issued after obtaining the consent of the Chief Justice, Patna High Court, Patna/ Speaker, Legislative Assemble and Chairman, Legislative Council.

GOVERNMENT OF BIHAR

FINANCE DEPARTMENT

Resolution

7th August 1990.

SUBJECT—Consolidation of pension of pre-1986 pensioners/Family pensioners on basis of the recommendations of the Fitment-cum-Pay Revision Committee.

In view of the recommendations of the Fitment-cum-Pay Revision Committee, it has been decided vide Finance Department's Resolution no. P.C.I-9-16/87—1854-F. dated the 19th April, 1990 to consolidate the pension/family pension of pre-1986 pensioners/family pensioners, in which existing pension, existing dearness relief, additional relief and additional amount of pension are included. All the pensioners of the State Government have been divided into four categories for the purpose of admissibility of additional relief. The pensioners, who have retired on or after 31st March 1985 and upto 31st December 1985 are clubbed into category 4 in respect of whom it was decided vide paragraph (3.4) of the aforesaid resolution not to give any additional relief for consolidating their pension. While arriving at the above decision, it was inadvertently ignored that the Fitment-cum-Pay Revision Committee had in respect of categories 3 and 4 pensioners recommended for conferment of similar financial benefits as additional relief in order to consolidate their pension. It has occasioned the anomaly that the consolidated pension of category 4 pensioners happens to be less than that of category 3 pensioners (those retiring between 1st April 1981 to 30th March 1985).

2. After careful consideration of the aforesaid anomaly, it has now been decided in partial modification of paragraph (3.4) of Finance Department's Resolution no. 1854-F., dated the 19th April, 1990 to allow additional relief to category 4 pensioner for consolidation of pension. In order to find out the amount of additional relief, it is essential in the first instance to consolidate (existing pension+existing dearness relief+Additional relief+Additional pension) the pension of category 3 and 4 pensioners, retiring on the same pay as per provisions of paragraph (3.3) and (3.4) respectively of Finance Department's resolution no. 1854/F., dated the 19th April, 1990 and the amount of personal pension, if any, be added to the consolidated pension of category 4 pensioners. Thereafter, the sum total of consolidated pension and personal pension of category 4 pensioners will be deducted out of the consolidated pension of category—3 pensioners and the difference of the two amounts will be the amount of additional relief to category 4 pensioners. Even after the amount of additional relief is ascertained according to the above procedure, the pensioners of Category 4 shall continue to get the amount of personal pension separately as per provisions of paragraph [5.1(B)] of Finance Department's resolution no. 1854/F., dated the 19th April, 1990.

3. The list of consolidated pension as mentioned in the Ready Reckoner enclosed with the Finance Department's resolution no. 1854-F., dated the 19th April, 1990 is hereby cancelled in so far as it relates to Category 4 pensioners covered under paragraph (3.4) of the said resolution. A modified ready-reckoner for category 4 pensioners is enclosed with this resolution, in which the existing pension and the finally consolidated pension have been indicated in respect of pensioners of this category, who are in receipt of pension of Rs. 500 or less per month. Payment of consolidated pension can be made to them by the Treasury/Sub-Treasury/Banks. In respect of pensioners in receipt of pension above Rs. 500 p.m. the amount of existing pension and that of partly consolidated pension have been indicated. Their pension can be finally consolidated only after the amount of additional pension, as stipulated in paragraph—4 Finance Department's resolution no. 1854/F., dated the 19th April, 1990, is reported to the Treasuries by the A.G., Bihar. In the meantime, Treasuries/Sub-Treasuries and Banks can pay to the pensioners on basis of the ready reckoner their partially consolidated pension and dearness relief admissible thereon.

4. It has been further decided in partial modification of paragraph 4 of Finance Department's resolution no. 1853/F., dated 19th April 1990 that the pensioners shall

be allowed dearness relief as per Government of India's current formula and rate even during the period from 1st March 1989 to 30th June 1989, to wit, dearness relief to pensioners of State Government w.e.f. 1st March 1989 shall be at the same rates, at which it has been sanctioned by the Government of India to their pensioners w.e.f. 1st January 1989. However, the instalments of dearness relief released vide Finance Department's Resolution no. 4845/F., dated the 2nd August, 1989 shall be adjusted, while making payment of dearness relief as per this decision. Separate orders releasing fresh instalment of dearness relief will issue subsequently.

5. In accordance with the principles enunciated in Finance Department's resolution no. 1853-F., dated the 19th April, 1990 and resolution no. 1854-F., dated the 19th April, 1990 payment of revised/consolidated pension is to commence from 1st March 1989. It has now been decided in this regard that the arrear of revised/consolidated pension for the period from 1st March 1989 to 31st March 1990 will be paid in eight quarterly instalments, out of which the first such instalment will be payable in April, 1990. The above two orders are modified to the extent indicated above.

No. P.C. I—9—16/87—3467-F.

Government of Bihar

FINANCE DEPARTMENT

From

SRI G. C. JHA,
Under Secretary to Government,
Finance Department.

To

THE ACCOUNTANT GENERAL, BIHAR,
Birchand Patel Path, Patna.

P.O. Hinoo, Ranchi.

Patna, dated the 7th August, 1990

SUBJECT.—Clarifications regarding various Government orders relating to the revision/consolidation of pension on basis of the recommendations of the Fitment-cum-Pay Revision Committee.

Sir,

I am directed to refer to your demi-official letter No. DAG-A-7/Pension—State—137, dated the 30th April, 1990 and to furnish the required clarification with reference to the points mentioned in enclosure I to your aforesaid letter as follows:—

1. Scope of application of Finance Department's resolution No. 1851/F., dated the 19th April, 1990.

The post-1986 pensioners, who have commuted one-third of their enhanced pension consequent on its revision under the provisions of Finance Department's resolution No. 1853/F, dated the 19th April, 1990 shall have this portion of commuted pension restored on completion of 15 years from retirement, because these two decisions—one of revision of pension and the other of the facility to commute out of the enhanced pension are quite new. In this context, this may please be kept in view that the period of 15 years from retirement shall be computed only if the commutation is simultaneous with retirement, that is, in such cases it is essential that reduction in pension is to be necessarily effective from the date following the date of retirement or within the month of retirement. In all other cases, the period of 15 years may have to be reckoned from the date on which reduction in pension on account of commutation of pension becomes operative. In such cases, where the date of commutation is subsequent to the date of retirement thereby causing a time-gap between these two events, this restoration would take place only on the expiry of 15 years from the date of commutation and not from the date of retirement.

2. Finance Department's resolution No. 1853/F., dated the 19th April, 1990.

(a) The term "Emoluments" occurring in paragraph 3(iii) of the aforesaid resolution means "basic pay" as defined in rule 26(a)(i) of the Bihar Pension Rules.

(b) The facility of death gratuity is admissible to temporary Government servants but not to workcharge staff who die in harness under workcharge establishment.

(c) In view of the provisions contained in paragraph 4 of the aforesaid resolution, the decision of the State Government regulating the admissibility of dearness relief to pensioners during the period from 1st March, 1989 has already been communicated vide this Department's resolution No. P.C. 1—9—16/87—3465/F., dated the 7th August, 1990.

(d) The pensioners, who have retired after 1st January 1986 but prior to 1st March, 1989, have the option to commute one-third of their enhanced pension under paragraph-5 of the said resolution and for this transaction of commutation, the 1st March, 1989 shall be deemed to be the absolute date, i.e. such pensioners shall have the entitlement to get the commuted value of one-third of their enhanced pension on the above date.

3. Finance Department's resolution No. 1854/F., dated the 19th April, 1990.

In paragraph (5.4) of the aforesaid resolution there is a mention of pensioners having pension of Rs. 500 or less per month. There may be a few such cases in this group of pensioners, in which the pension has been to the tune of Rs. 500 or less per month only because of the fact that their qualifying service had been less than 33 years. Such Pensioners will have the option either to get their additional pension in paragraph 4 of the said resolution fixed by the A.G., Bihar on the basis of their actual length of service and thereafter get the pension consolidated or to receive the payment of consolidated pension on basis of the ready-reckoner enclosed with it.

Yours faithfully,

All Heads of Departments.

Patna, the 14th November 1990

SUBJECT—Availing of requisite information to the A.-G., Bihar for revision/consolidation of pension under Finance Department's Resolution no. 1854-F. dated the 19th April, 1990.

SIR,

I am directed to say on the above subject that paragraph (5.5) of Finance Department's Resolution no. 1854-F., dated the 19th April, 1990 provides that the pensioners will not have to submit any application on any hierarchy for purpose of recalculation of additional amount of pension under paragraph-4 of the said order. Such provision was made with the intention that undue time may not be consumed in procedural formality and pension may be expeditiously consolidated. In spite of this, from a practical point of view it appears to be unavoidably essential to call for certain relevant information from the pensioners for expeditious revision/consolidation of their pension.

2. After careful consideration of the matter, the A.-G., Bihar, Patna is hereby authorised to call for certain relevant information from the pensioners, so that the pension may be expeditiously consolidated.

Yours faithfully,
S. MAJUMDAR,
Additional Secretary to Government,
Finance Department, Bihar, Patna.

GOVERNMENT OF BIHAR

FINANCE DEPARTMENT

RESOLUTION

Patna, the 28th December 1990

Subject—Grant of dearness relief to State Government Pensioners/Family Pensioners and recipients of Extraordinary pension.

After implementation of the new policy and procedure regulating pensionary benefits, the convention to grant dearness relief to State pensioners according to the procedure, formula and rates prevailing under Government of India since the 1st January, 1986 has been adopted by the State Government. Consequently dearness relief has already been granted to the State pensioners upto the 1st January, 1990 vide Finance Department's resolution no. P.C.I-9-31-87-4050-F, dated the 14th September 1990 and in view of the rise in the cost of living beyond average Consumer Price Index 608, the proposal to sanction one fresh instalment of dearness relief with effect from the 1st July 1990 was under consideration of the State Government. In the meanwhile, Government of India, vide Ministry of Personnel, Public Grievance and Pensions, Department of Pension and Pensioners' Welfare Office Memorandum no. 42(3)P and P.W./90, dated the 17th September, 1990 have sanctioned one fresh instalment of dearness relief to pensioners with effect from 1st July 1990. In light of this, the State Government have been pleased to decide that dearness relief shall be paid to their pensioners with effect from the 1st July 1990 at the following rates:—

Sl. no.	Pension/Family pension per month	Rate of Dearness Relief per month
1	Not exceeding Rs. 1750 per month	.. At the rate of 43 per cent of pension/family pension.
2	Exceeding Rs. 1750 per month but not exceeding Rs. 3000 per month.	.. At the rate of 32 per cent of pension/family pension subject to a minimum of Rs. 753 per month.
3	Exceeding Rs. 3000 per month	.. At the rate of 28 per cent of pension/family pension subject to a minimum of Rs. 960 per month.

2. Calculation of entitlement of dearness relief at the rates mentioned above shall be made at the pension revised/authorised as per provisions contained in this Department's resolution no. 1853-F., dated the 19th April, 1990 and also at the pension consolidated in terms of this Department's resolution no. 1854-F., dated the 19th April, 1990. The commuted value of pension will form a part of revised/authorised/consolidated pension. For the purpose of calculation of dearness relief and its payment the entire amount of dearness relief sanctioned previously will be included.

3. All other terms and conditions regulating the sanction of dearness relief shall remain unaltered as before. If the calculation of dearness relief at the rates laid down in the extent resolution works out in fraction of a rupee, the same shall be rounded off to the next higher rupee in accordance with the provisions contained in Finance Department's circular no. 15282-F., dated the 28th November, 1969.

4. The relief will be admissible except the period of re-employment/employment to all those pensioners, who are in receipt of compensation, superannuation, retiring and invalid pensions. In addition, recipients of family pension and extraordinary pension shall also be entitled to this relief.

5. In order to avoid delay in payment of relief to pensioners Government have been further pleased to order that the payment shall be made without the authority from the Accountant-General, Bihar within the State under rule 344(1) of Bihar Treasury Code, Volume I. Treasuries/Sub-Treasuries shall pay the amount of relief on the basis of bills presented by the pensioners. They are further directed to apprise all the authorised public sector banks with the provisions of this resolution in order to facilitate expeditious payment to pensioners receiving their pension through the banks. Drawal of dearness relief outside the State shall be made only on the specific authority from the Accountant General, Bihar. The Accountant-General, Bihar is requested to issue authorisation to the concerned Accountant-General and inform the Finance Department at an early date in respect of pensioners receiving pension from outside the State.

6. A ready reckoner showing the dearness relief payable from the 1st July, 1990 onwards in terms of this order is enclosed. However, the provisions of this resolution should be strictly followed and the correctness of the amount of relief should be rechecked invariably in all cases at the time of making payment.

7. In far as the persons serving in the High Court, Patna/Legislative Assembly Legislative Council, Bihar, Patna are concerned, necessary orders will issue subsequently after obtaining the consent of the Chief Justice, High Court, Patna/Speaker Legislative Assembly/Chairman, Legislative Council, Bihar, Patna.
